

~~Marine Corps Incident
Based Reporting System
Enhancements
Integrated Law
Enforcement Information
System~~

Working Group #1

Working Group Mission

- Working Group Mission
 - Create a list of common capabilities that all PMs can agree to in order to facilitate the development of an LE software package that promotes continuity amongst the PMOs and enables each PM to “mine” the MCIBRS database for statistical information.

Methodology

- Foundation
 - Current Incident Reporting & Stats Requirements
 - Current Law Enforcement Manual
 - Police Community Services & Incident Reporting Sections
- Metrics
 - Importance to OP field
 - Prioritized 1 through 8
 - Ease of Accomplishment
 - Rated 1 (easiest) to 3 (difficult)
 - Potential Manpower Savings
 - Rated 1 (increase), 2 (neutral), 3 (decrease)

MCIBRS

- Expand Offense List
- Continue on Briefed Upgrades
 - E-Mailing ICRs to Commanders
 - Local Crime Stats Queries
 - DMDC Uploads
 - NCIS Uploads

Working Group Results

- Police Records Admin
- Vehicle Registration
- Weapons Registration
- Crime Prevention/Physical Security
- Visitor Control
- Vehicle Impound & Storage
- Animal Registration
- Lost & Found

<u>Function</u>	<u>Importance</u>	<u>Ease</u>	<u>Manpower</u>	<u>Total</u>
Vehicle Registration	2	1	1	2
Weapons Registration	3	1	2	6
Police Records	1	3	3	9
Operations	1	3	3	9
Crime Prevention/Physical Security	4	3	1	12
Physical Security	4	3	1	12
Vehicle Impound & Storage	6	1	2	12
Visitor Control	5	3	1	15
Lost & Found	8	2	1	16
Animal Control (Registration)	7	2	2	28

Summary

- Continue Development As Previously Briefed
- Continue Working Group Meetings (2 more this year)
- Utilize Results To Begin Development Of Integrated Information System
